RE: CC Docket No. 02-6
Funding Year 2006 Appeal for Billed Entity Number 16027219

Dear Sir or Madam:

I am writing on Lincoln International High School, located at 730 Hennepin Avenue, Minneapolis, MN 55403 to appeal an application decision that appears to be in error. My appeal relates to the following:

Billed Entity Applicant Name: Lincoln International High School
Funding Request Number: - 1430364
Form 471 Application Number: 519805
Contact Name: Deborah Ellingwood
Contact Phone Number: 612/872-4088
Contact Fax Number: 612/872-4089
Contact E-mail: deborah@lincolnintl.org

The reason given for the above denial is that "30% or more of this FRN includes a request for NBX 3102 Business Phones, which is an ineligible product(s)/service(s) based on program rules".

In support of this appeal, I enclose the following:

Photocopy of denial letter dated 01/24/2007
Photocopy of 3Com Communication System Proposal from Cabling Services

Please find attached the copy of the 3Com Communication System Proposal from Cabling Services. The proposal originally listed incorrectly 75 NBX Phones. Lincoln International High School does not want or have a need for 75 phones. A correction has been made on the proposal changing the number to 40 phones. By changing to an accurate count of new phones, it lowers the percentage to less than 30% of the bid which

No. of Copies rec'd 10
List A B C D E

is based on program rules. Please reverse the denial decision and approve this FRN for Lincoln International High School.

It is extremely important and vital to Lincoln International High School to receive E-Rate funds to successfully continue their School. Without the continuation of funds, at a 90% discount, Lincoln International High School will suffer substantial financial difficulties.

Thank you for your attention to this matter.
